And just like that, 2025 is a wrap! December was filled with events, laughter, and great memories. Merry Christmas and Happy New Year! God bless! ❤️

## Auld Lang Syne - December 14th

The concert was a hit! Despite some less than desirable, but very on-theme weather, everyone in attendance was treated to some wonderful music. Special shout-out to the grounds crew for the day!

## Youth Gingerbread House Building Party

The kids had a great time building their gingerbread houses! A pizza dinner and Christmas movies kept the littles busy in between eating copious amounts of candy, icing and sprinkles.....I mean building their houses. Their parents had fun too!
